INTRODUCING THE *Angelina* COLLECTION

If you are welcoming a little princess, you will want to consider our Angelina Collection. This sweet yet sophisticated collection offers classic French Provincial style rethought for today's young families. Delicate details like hand-carved floral appliques, graceful cabriole legs, and generous curved moldings carry through from the crib to the case pieces making this an instant heirloom set. Case pieces feature soft-close drawer glides with 5 piece wooden drawer boxes and edge banded tops. Available in French Vanilla.
